Dear Mr. Dulles,

On behalf of the student body and the student committee I would like to heartily thank you for the very enjoyable talk on the 12th.

From the student remarks subsequent to your talk, the evening was highly successful. They especially appreciated your informal discussion following the talk and were particularly grateful in the light of your late arrival from New York the previous night and your day on the Hill.

Again, we want to thank you very much, and hope future students will have the pleasure of hearing you in the not too distant future.

Sincerely yours,

Arthur L. Fern
